Look for the Safety Ready badge

These in-network eye doctors let us know they follow safety and cleanliness guidelines. Find one in the Provider Locator at eyemed.com.

SAFETY TIP

We get it – you can't help touching your amazing new glasses or sunglasses. Just wash your hands first, and avoid touching your eyes.

Your healthy side

Healthy eyes are a gift for all seasons. That's why wide-coverage protective eyewear is this year's hot item. The "Shield Your Eyes" collection from Oakley® and Eye Safety Systems (ESS) brings safety to the party with style and function. This curated suite of iconic frames with a wider viewing area even include certified PPE models.

Complete the look with Oakley's neck gaiters, bandanas and other face accessories made from antibacterial fabric.

Your balanced side

Who couldn't use a little more balance in their life? Check out the new [Glasses.com](https://www.glasses.com) collection, the perfect balance of style and value. **Complete pairs start at \$90** (hmm... one for work, one for play?) while you get to shop frames and color choices using the site's famous virtual try-on feature. With fast delivery, free shipping and free returns, now you're living in harmony.

Your generous side

Give the gift of sight. OneSight brings eye exams and glasses to people without access to vision care. Every \$10 you donate provides a pair of glasses to someone in need. It's exactly what 1.1 billion people have always wanted – and needed. [Donate now.](https://www.onesight.org)
